

Sanborn Christian School Summer Cleaning Schedule 2019

May 2, 2019

Dear Parents,

Once again we are requiring all parents to help with the summer cleaning of the school building. A schedule for this cleaning has been set up and you are asked to come on the date listed below to help. If you are unable to come on your assigned evening, you must switch with someone from another day or arrange for a substitute. **The assumption is that where a single name is listed both parents or two adults will be cleaning that evening.** Jr. High and High school age students must work with the parent who brought them. Please make arrangements for your younger students and children on the night you clean.

We will work from 7:00 to 10:00 PM (if needed). We must have everyone's cooperation in the project. Parents of K-8 students are required to help, including parents of graduating 8th graders. Preschool parents are not required to clean. Thanks in advance for your cooperation!

When you arrive at school, please sign your name on the sheet provided and then check with Wendi for you job assignment. If you have any questions call Wendi at 712-344-0568
