IOWA SCHOOL-AGE CARE - HEALTH STATUS - PARENT STATEMENT

Parents: A physical exam for school-age children enrolled in child care is not required every year. However, school-age children need to continue to receive health care to prevent illness and to identify potential health problems. The following guide will help you and your child prepare for a thorough physical exam with your family doctor. If you do not have a family doctor, please call the Healthy Families Line (1-800-369-2229) to locate a health care provider near you.
