

Hot Lunch Agreement

Sanborn Christian School will be serving a hot lunch every school day beginning August 23. Hot lunch is optional for students, but we would like a semester-by-semester decision about participation. Students must either take hot lunch, or not take hot lunch, but are not allowed to switch back and forth daily, weekly, or monthly. Make a decision and adhere to that for the full semester and then a switch could take place at the beginning of the second semester.

Below is an agreement to be signed by the parents stating the intent for participation in the lunch program. We will be billing the lunch program on your tuition statement. Milk is included in the lunch program.

Please complete this agreement and return it along with your other registration papers on Registration Night (mid-July).
